FRESH AIR & FRIENDSHIP

Why YMCA CAMP EBERHART for your child's summer?

We know children.

YMCA CAMP EBERHART offers experiences every parent would like to give their children, but cannot on their own. We spend the day working side-by-side with your child so parents can enjoy the stories of their adventures each evening.

Children love to spend time outdoors, practicing social and decision making skills that are new to them, while being inspired by "heroes" – our counselors. YMCA camp experience is a safe place to begin to step out on your own.

YMCA CAMP EBERHART has a special magic to those who spend their summer days with us. We offer value-based programming focused on honesty, caring, respect & responsibility.

Once you come to YMCA CAMP EBERHART, you never truly leave.

Shouldn't your kids get a summer of self-discovery, adventure, fun and learning that will last a lifetime?

At YMCA Camp Eberhart Day Camp, we fill their days with fun activities that foster caring, honesty, respect and responsibility. Children participate in a variety of arts, crafts, sports, games, and learning activities. Physical activity outdoors is part of every day at Camp!

From insects to vegetation and woodland critters to fish, the camp experience surrounds children with nature and develops a hands-on appreciation for the environment and the natural world.

Friends come in all shapes and sizes, and from all different backgrounds at camp. The experience helps develop authentic friendships and a sense of community, while making children more aware of the world around them.
